ABOUT BAZHOOKAH

Our philosophy is our driver. This approach has helped us strive for the best in everything - to give our smokers a superior hookah experience.

We combine the genius of simplicity with purity and serve it in silky cloudbursts of rich, flavorful and deep satisfaction. Bazhookah is not only a carefully crafted brand... **it is a lifestyle choice.**

ABOUT OUR PRODUCTS

All our products are made with great care and by paying close attention to the quality of all our carefully selected ingredients.

We use only the finest French Virginian Tobacco blended lovingly and tastefully by masters of their trade with well chosen organic flavoring mixed skillfully with our special in-house pure natural honey.

Our handcrafted innovative mouthwatering blends smell fantastic, and are just as good as your senses tell you they are... and you have over 50 blends to choose from!

A background image showing wisps of white smoke rising from a hookah, set against a dark background. The smoke is soft and ethereal, creating a sense of atmosphere.

” We are passionate about hookah and we don't just want to sell amazing premium blended tobacco products, we look to deliver a social experience. ”

ABOUT OUR PACKAGING

As you would expect, our packaging is fully bespoke.

Our signature product - the **250g tins** - incorporate innovative design and materials, all engineered to give a perfect look and a touch of real quality.

All tobacco blends are double vacuum packed to seal in the richness and full flavor until the right time... to then release the quality assured freshness and our signature juicy flavor.

From People's very first sight of the product, to the amazing smell when you open the pack, to the first intake of intense flavor, to the billowing clouds of rich dense smoke,

BAZHOOKAH.....

a smoking experience not easily forgotten.
